## PREFACE

This directory identifies personalities who hold key positions in the Nicaraguan Government; state operated economic organizations; other miscellaneous organizations; the ruling Sandinista National Liberation Front and other political parties; the military and the diplomatic service.

The Nicaraguan Directory will be published yearly. The following table of contents is arranged to enable the consumer to locate organizations more easily. A list of abbreviations is provided for identification of military ranks.

An alphabetical index of personalities is included at the end of the directory.

The structure of the name index is as follows: Patronymic (surname), given name, and in parentheses, matronymic (mother's name).

Any information for updating or correction is appreciated.
